Southwestern University

University at Maple

Georgetown, Tx 78626

Rosa Maria Escobar, Editor

Susanna Westbrook and Martha Blackwell seem to be having a really fun time - even though they are NOT studying like the rest of us.

Carmina Holguin and Stephanie Saldana are dressed for a night on the town. But there is just one question - who are the lucky guys?

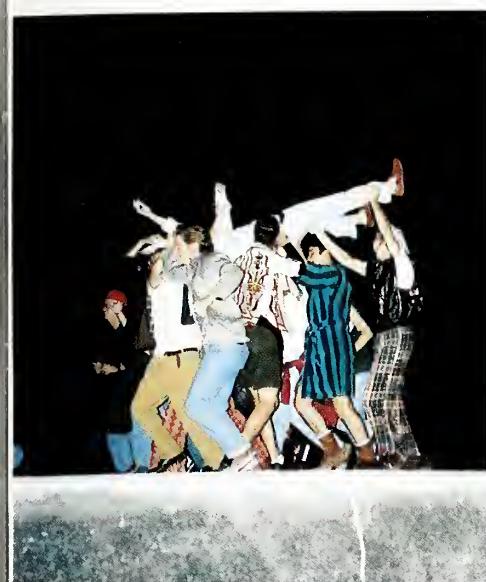

Angelica Ramirez and Jennie Costilow hold our very own Rosie Ramos hostage.

Anne Hamrick (aka WABFH)...student or goddess?

David Cox is being heavily sought after by professional kickball organizations.

Fun all around us at SU

Wonder what this guy did to deserve a lift from his friends?

Kristen Hendrix says, "Look Mom, it's white sand! I've never seen white sand. Do you think they would mind if I took some home?"

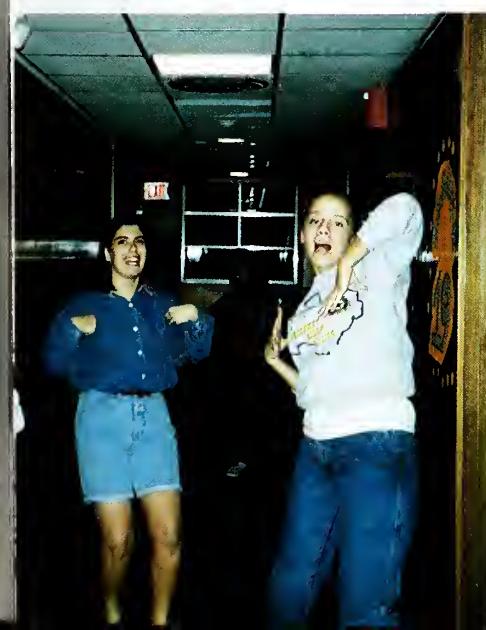

Heather and Cathy love the garbage bag look. It's oh so chic! Everyone is sure to follow their lead and start wearing nothing but garbage bags.

Beam me up Scotty! These crazy SU students want to put me in one of those SING in between acts!

Melissa Hillin, Rosie Ramos, Laura Prothro prove their dedication to multiculturalism and learn how to dance a Cumbia...or maybe they really want to be penguins.

Okay, okay I'll up you \$10,000, the Porsche, and the condo.

Scott Woods and Mark Avery have one heck of a time at SING this year - even though they cut out the in between acts.

I know these women aren't going to the Commons to eat!

Some very politically aware SU students present a debate during the 1992 Presidential election to make the public more aware of each candidates' platform.

Dude Enrique, the man is down. Why do you have to stick the tongue out?

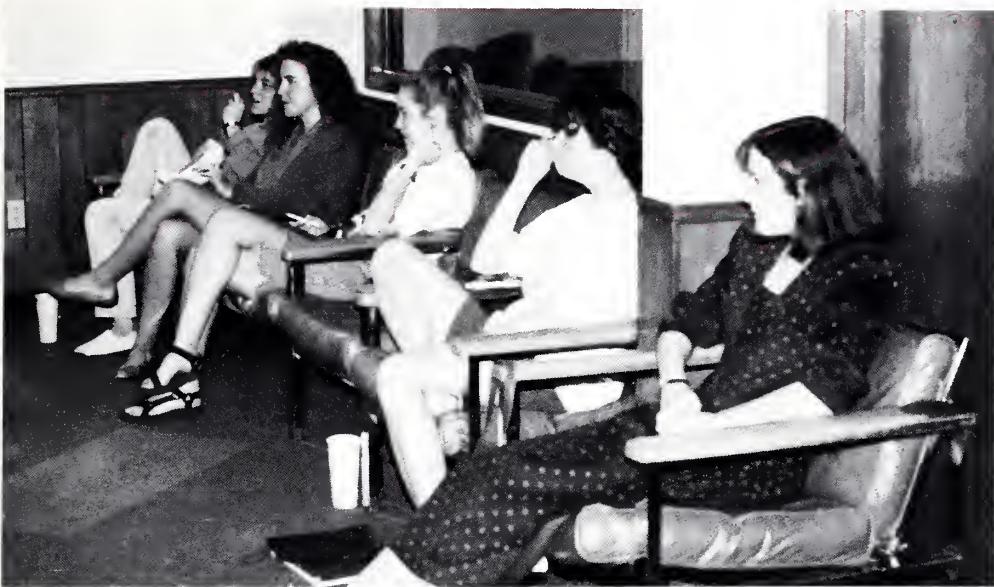

"Say man, you think the Oilers are gonna take the Super Bowl?" "You crazy? The Patriots are gonna take it all this year."

Erin Skelley can not only run like Smith, she can throw like Marino.

People from all walks of life

These women must be watching the Oilers beat yet another team. Not!

I think not.

Mexico...a land rich in culture, good food, bargain shopping, and great shots.

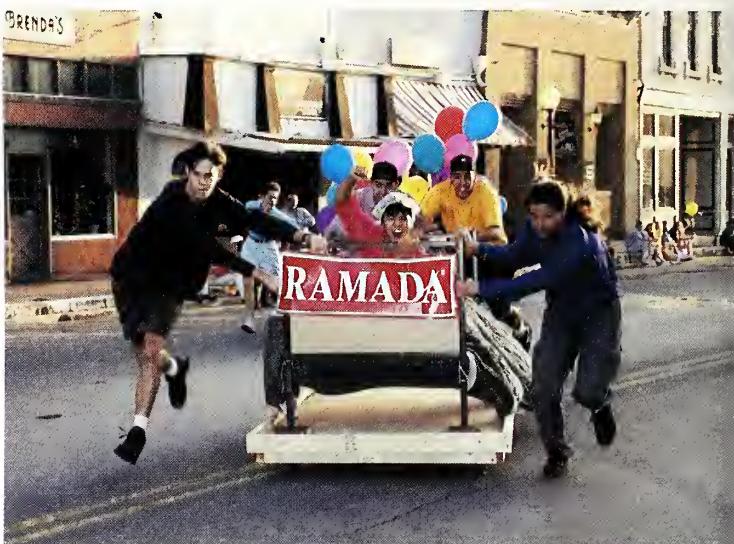

Noooo...I still haven't give birth and I'm tired of waddling like a duck.

Hey, hey you with the camera, take my picture before these guys tackle me to the ground.

Chief Bickers - you look a little bit wet behind the ears. Maybe you should consider not wearing your clothes to shower in or just drying a little before you go out.

Man, what a wake up call! I wonder if these boys could come by and wake me up for my 8 o'clock. They made the Thienster bright eyed and bushy tailed.

These women seem to have gotten lost on their way to the rodeo. But they got lucky and ended up at the first ever New Student Block Party on the Square.

Oh my gosh! Look out girls! There is a camera headed this way and our mouths are full! Each man for himself!

"I'm sorry miss. But you have to move your car out of the way. We've got some bed races about to start and your car is in the way. So move it or I'll tow it."

"Ya know, some of these people are kinda weird. I've seen cowgirls, some crazy people pushing a bed. I've even seen a policeman try to save a lady from a tow-ing."

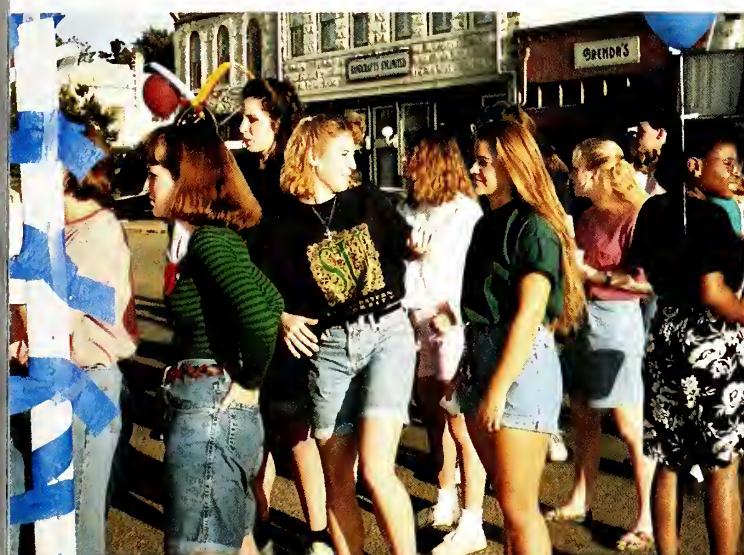

Block Party '92 Whatta Blast

Lily Diaz and Mike deGuzman love all the admiration bestowed on them by the trigger happy camera person.

"I'm a little teapot short and stout. Here is my handle. Here is my spout. When I get all steamed up tip me over and pour me out."

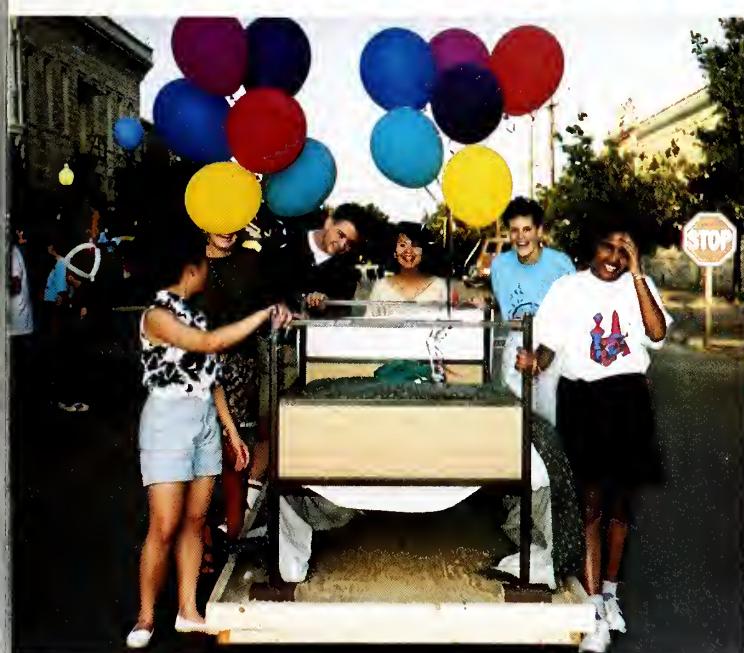

Helen Sharkey says, "Don't you take my picture! I haven't powdered my nose!"

Listen girl, you have to wait in line just like the rest of us have to. Cutters go to the end of the line.

Dude, these people know how to party! We've never been to a gig this exciting! You think they'll ask us back?

Oh my gosh! Oh boy! You aren't taking my picture are you?"

We are the gods of tug-of-war. Beware. We might be taking your daughter out next Friday night.

Fun & Studies Go Hand in Hand

The choices are endless. The quality first rate. The place...the Commons? (Well, we try to keep the captions entertaining.)

Erika tells Albert to check his attitude and get it together. Get it girl! Work it Baby! You got it girl!

POWER TO THE PEOPLE!!!! Manuel and Shawn have a great time at SING and help perform a fantastic skit.

Can I come out yet? It's really cramped and hot in here. I didn't mean to hit him. He made me. He called me a little bitty.

ADPi's always have a great time during their Sisterhood Week. Plus they get to perform dangerous stunts that should not be attempted at home. These **are** professionals.

Sonya Irani better known as Rambette shows Nancy McCorpin the latest war time apparel to be worn in any season.

Anne, Robin, and Leilani, the ZTA Sing Coordinators, take a break and give their sisters a well deserved breather.

Brent Lawless creates a masterpiece dessert that anyone would want to just eat up!

Amanda Hunt, Laura Counts, and Carrie George are hanging out on the curb. In the middle of the night it's pitch dark and not a soul in sight.

Cathy Syverson and Cindy Offutt have developed the dreaded "Our heads are stuck together and we now have the power of two brains" disease.

What are you looking at!? People are trying to get some work done. Get your trigger happy self out of here!

Gosh Debbie, what could be so wrong that you need both Lee and David to help you? What ever it is, the sun will shine tomorrow. I promise.

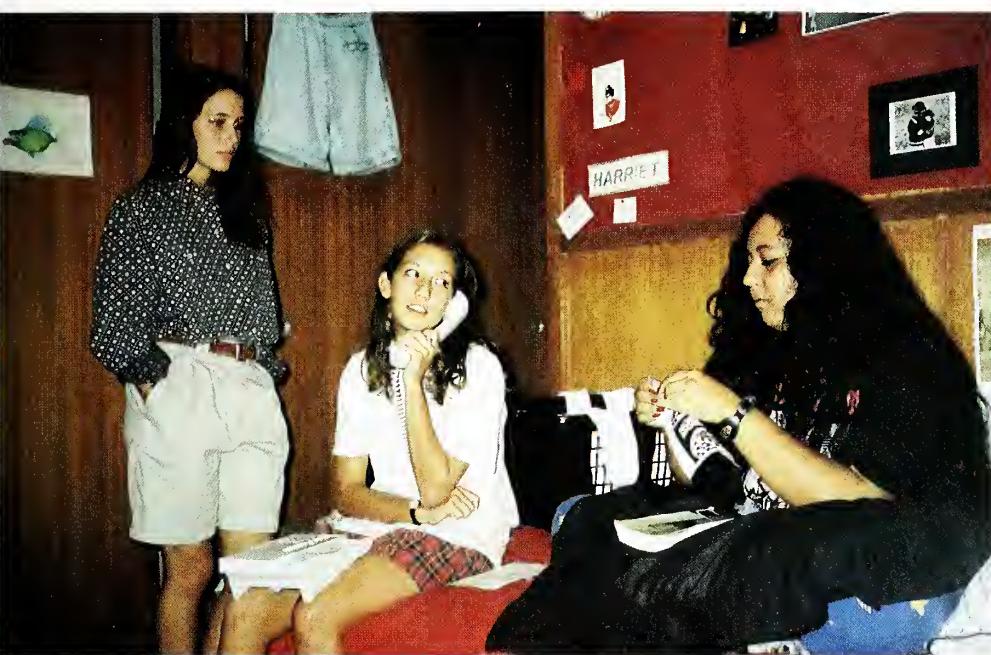

Pst! So Jen, when do you think we can ditch this place? I don't know Lily, Steve is probably still around and will bust us. Plus the men are looking pretty good.

These ZTA women look like their fixing to go out and win a prize at SING 92. Maybe they'll even educate some of us on the history of the woman's role in America.

Sommer Reese has such form. Such grace. Such style.
(Do you think she can hit the ball?)

Yeah, we want a large pepperoni pizza. We have a coupon. Kurth lobby. Extension 7526. Fifteen to twenty minutes. Great. Thanks.

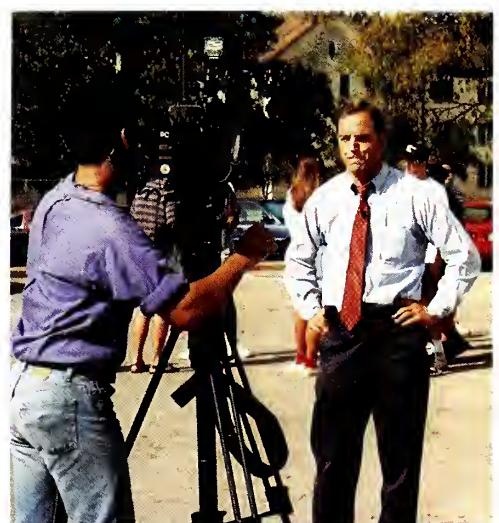

Take my picture. I know I look good. Everyone is going to want this picture later. You make sure you get it in the Sou'wester. In a good spot no one will miss.

Do we have to go Cass? I would really rather go to Whataburger. They take credit cards! Plus they bring it to your table! Here we will have to wait in line.

Don't you take this picture while I'm on the phone! Don't you take...I told you not to take the picture. Darn...now I guess I'll have to put it in the yearbook. HA, HA!

Gosh darn it! These people are to peppy! What could I possibly say that describes how great these people are. And how many times do you think I could repeat it?

These Zetas **may** look sweet and innocent...but get them on the softball field and you'll be crying for your mom.

Oh my God! Derek is a star! I wonder what brilliant thing he may be saying. Maybe I can get his autograph later!

Lisa Plowman, Lolita Trevino, and Maria Avalos are dressed to kill. I bet they are going to one of their, "oh so fun," ADPi parties.

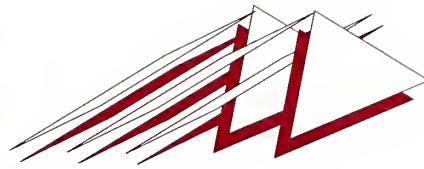

Geez! Randi Sutton, Christine Catanzaro, and Lynnette Elleuterius look like one of those really famous rap groups. I wonder if that's how they pay for their tuition.

No. You don't say! I can't believe he did that. What was he thinking? I bet he's gonna get in trouble...I wish I had gone along and had some of the fun.

Have You Had Enuf?

Yes, we are eating on a tub. It adds to the ambiance. Plus there was not any room left in the dining room. But we look good on this tub.

So you see, I really think that's it's about time the school did something about it. We've done without someone for too long now. Maybe if we apply a little pressure...

These are just a few of the very selfless people who went on the Louisiana Hurricane Relief trip. They gave up a weekend to help people they didn't even know.

Charles Koutras, Ms. Keyes, and Nimish Gandhi are among the destroyed homes in Louisiana. They all seem to be enjoying what seems to bring out the best in a person when another is in need.

Oh my God! Could you just die? It's the DELTA DELTA DELTA CAN I HELP YA HELP YA HELP YA girls! There up a tower of sorts. Oh my God! I'm so embarrassed!

"Yes! I knocked her off her feet!" Too bad you didn't score. Maybe next time. I hope Maria survived that kick to the stomach.

You didn't just say that. That is so stupid I could die. I can't believe I'm even sitting next to you it was so dumb.

Have you ever seen more beautiful women in your entire life? I bet they are helping some group in a fundraiser. Those Deltas are known for their awesome fundraising.

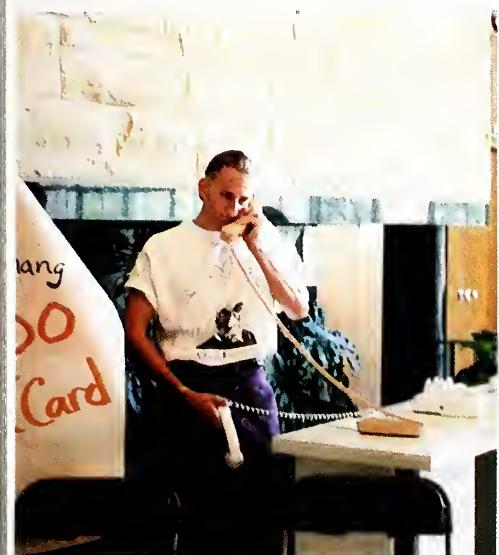

You think if I tip toe away real quiet like they won't notice me leaving. Caught. Now I have to stay here and play kickball all day. Good thing it's for a good cause.

These two look so sweet my teeth are falling out. I wonder what they are doing in Mood-Bridwell all by themselves. They look awfully happy.

Just your typical purchases at the local HEB for these wonderful Zetas. I bet they are all purpose Zetas and can do just about anything.

The Wonders of SU ??????

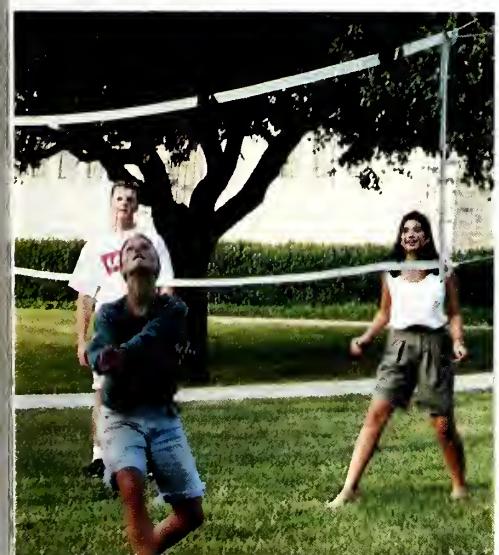

No I don't think she's here. Let me check. Oh wait. I've got another call. Hold on. Yes? Nope I don't think I can do that. Well, it'll cost ya.

You know these hamburgers look better and better every minute I'm in here. But it doesn't beat the sandwich bar over there. I think I'll play it safe.

Angie Castro, Jaime Woody, and Lily Diaz look like they have had a blast at the New Student Picnic. But geez, where's the other boppy twin?

Tes just loves being out on the new mall. The air is clean. The birds flying around. People to hassle. Plus she got her picture in the Sou'wester!

I got it! I got it! I don't know, do you think she has it? Maybe we should help her out. Na! I think she's got it under control.

Twins? No, friends and roommates - Lily and Elsa. I wonder if they dress alike on purpose or if they are so one with each other that it is just a wild fluke of nature.

Power to the People at SU!

Rosa! Rosa! Take our picture we look goood! We want to be in the 140th Sou'wester! Please! Take our picture and put us on page 16! Please! We pay enough.

These three people look like the types who might be willing to put together a trip to help the Hurricane relief in Louisiana.

What a group of wild and crazy women! I bet they're getting ready for the Tri-Delta Fall party. The Great Outdoors is gonna be nothing but fun.

Sergeant Trefftzs I have them cornered. Let's book 'em and get to the next bunch of perps. We can even tow a few cars, write few tickets. Hey, we could have a blast.

Take my picture! I have a program and you don't. Don't even think of taking a picture of the people in back of me waving. I want **my** picture taken now.

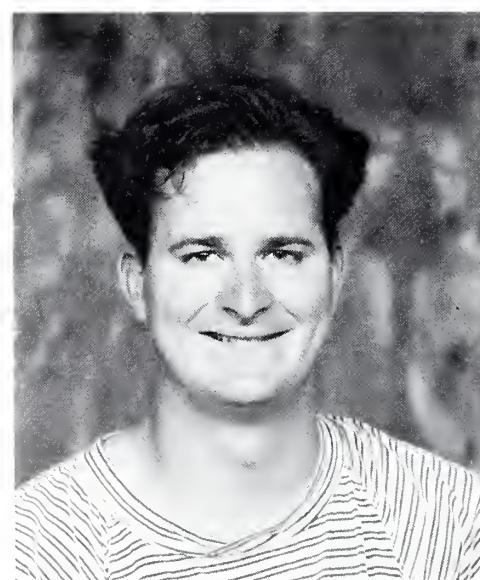

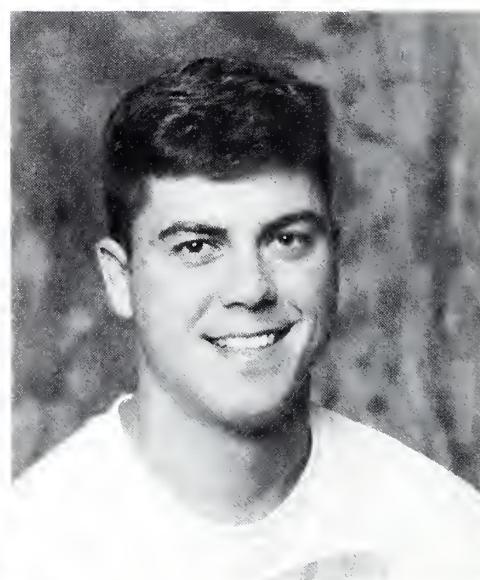

I don't know. Do you think it will look alright in my study area. The colors are a little off. Maybe I should keep looking for that perfect print. What do you think?

Excuse me - have we met before? (Nice try Ricky.)

Our very own Juan Reeves braves the N. Y. subway.

Gee! I've never been asked quite that way.

These three have got to be having a great time! Just like they always do in the Commons.

CLASS OF 1993

This is a picture of their moms right?!?!

D.D. Thomas gets a lot of work done...right!

Laura Hutto enjoys the scenery.

Brooke Baker and Sherrin Roberts must have voted for Bush and Qualye. Yea right!

MEGAPHONE

Matt concentrates on not cutting his finger.

Gee! That cropper looks familiar. Could it be a Herff Jones cropper?

The editor himself overlooks the progress of the staff.

SOU'WESTER & KAPPA DELTA PI

The Sou'wester is the Southwestern University yearbook.

It is a pictorial record of the college year including extracurricular and academic pursuits. This year the staff consisted of one person actually working on the book - Rosa Maria Escobar, editor. Perla Bermudez also participated in the production of the yearbook by developing any pictures the editor took.

ALPHA PHI OMEGA

Members of Alpha Phi Omega

The motto of Alpha Phi Omega explains its purpose quite clearly, "Be a leader; be a friend; be of services." A national service organization, APO was founded 65 years ago as an extension of the Boy Scouts of America and has over 600 chapters at universities all over the United States. It's manual reads, "If you must fail something, fail APO."

Jon Porter discusses APO's help in the hurricane relief.

PRE-LAW & COLLEGE REPUBLICANS

The members of the Pre-Law Association of S. U. strive to cultivate an appreciation of the high ideals of the law and promote interest in the law with all of its social ramifications and to inform prospective students of the law and law school experience, and to provide knowledge of requirements for admission to law school.

Members of Pre-Law Association

College Republicans strive to make known and promote the principles of the republican party among the students at S. U. They aid in the election of republican candidates at all levels of government and develop political skills and leadership abilities among republican students as preparation for future student service by them to the party and the community. Finally, College Republicans hope to promote voter registration and voting among the republican student community.

ALPHA CHI & WICI

Members of Alpha Chi

Members of Women in Communication, Inc.

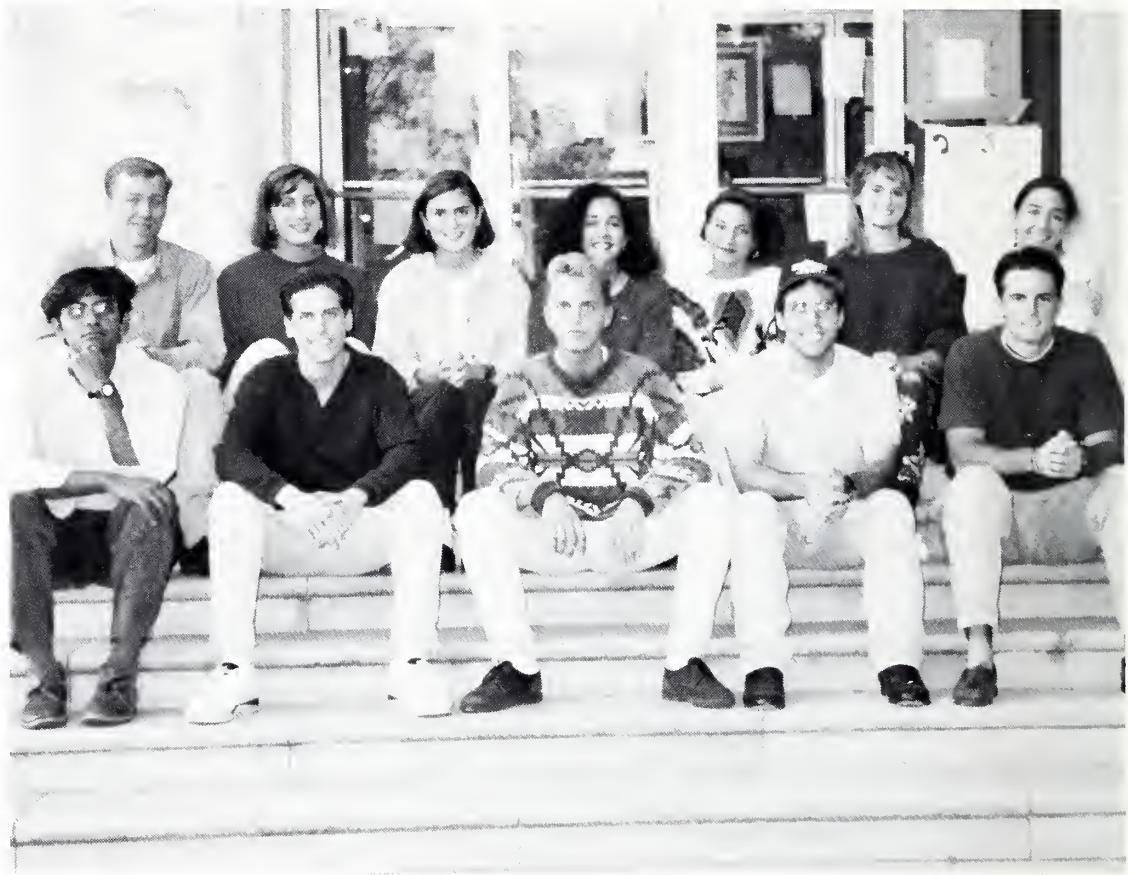

Alpha Chi is a national undergraduate society.

Members are elected from among the top 10 percent of the junior and senior classes.

The purpose of Women in Communications, Inc. is to promote the advancement of women in all fields of communications; to work for the First Amendment rights and responsibilities of communicators; to recognize distinguished professional achievements; and to promote high professional standards throughout the communications industry.

STUDENT JUDICIARY & FOUNDATION

The purpose of Student Judiciary is to interpret and administer the Honor System. When a student enters S. U., they agree to support the academic honor system. The students establish the honor system and assume responsibility for honorable conduct in all academic work including tests and examinations. Students are on their honor to do their own work and to report other students who violate this commitment.

Members of Student Judiciary

In an effort to involve all S. U. students interested in the advancement and support of S. U., the University established the Student Foundation whose general purpose is to enlist and motivate S. U. students to promote the welfare of the university.

Members of Student Foundation

EAST & WEST RESIDENCE LIFE STAFF

West Side Residence Life Staff

East Side Residence Life Staff

Residence halls are a vital part of the total Southwestern campus community and are intended to complement the educational purposes of the University by providing an atmosphere conducive to meeting academic, social, and personal needs of students.

The Residence Life staff is responsible for the physical and educational program of the halls, which includes program development to enhance the growth of students, advising students, counseling and referral, supervision of the student staff and administrative tasks.

SOUTHWESTERN STUDENT ASSOC. & OPERATION ACHIEVEMENT

The Student Association consists of all students currently enrolled at Southwestern University and provides a forum for concerns and opinions. It is one of the tools S. U. uses in hopes of aiding students in the process of finding a sense of lifelong personal and social direction, in developing the ability to communicate effectively, in learning to think clearly, and to make discriminating judgements.

Steering Committee for SSA

Operation Achievement is a tutor-mentorship program in which S. U. students provide aid to Georgetown junior high students with homework and offer after school activities. It is a chance for junior high students to have a peer other than siblings, teachers, and parents to turn to as needed. One example of activities implemented by O. A. is the portfolio in which students are encouraged to write down thoughts on their favorite books which in turn provides a tool to increase writing abilities, creativity, and study habits.

Members of Operation Achievement

INTERNATIONAL CLUB & TEACH

Members of the International Club

The purpose of the International Club is to create a base for the unity of present international students, to increase the awareness of the community with respect to the international students, and to be a liaison between incoming new international students and the community. It helps the international students to assimilate into the university community and the community as a whole, and to increase the community's awareness of the international community.

Members of TEACH

Tomorrows educators of children hope to develop a foundation of professionalism as well as competence and personal growth which will carry through their teaching career.

M. S. M. & UPWARD BOUND

The Methodist Student

Movement's purpose is to provide opportunities for fellowship, worship, and service to Methodist and non-Methodist students on the campus of Southwestern University.

Members of Methodist Student Movement

Upward Bound promotes an inter-denominational Christian student fellowship. They worship through prayer, song, & fellowship in open meetings at Southwestern University.

Members of Upward Bound

DELTA OMICRON & ART ASSOCIATION

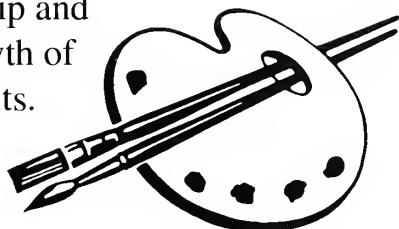

Members of Delta Omicron

Members of the Art Association

The purpose of Delta Omicron is to create and foster fellowship through music; to give music students an opportunity to meet with one another and, by personal contact and exchange of ideas, to broaden the individual outlook; to strengthen devotion and loyalty to Alma Mater; to develop character and leadership; to promote American music and musicians; to further work of aspiring composers; to encourage understanding of the cultures of all nations; to do any and all things conducive to the service, betterment and ultimate welfare of musicians.

The Art Association strives to unify the art students and to support the art departments. To promote interest in the visual arts, both generally and scholastically. To provide a mechanism for constructive fellowship and artistic growth of art students.

AMER. CHEMICAL & SCIENCE SOCIETY

The object of the American Science Society is to afford an opportunity for student of a chemical science to become better acquainted, to secure the intellectual stimulation that arises from professional association, to obtain experience in preparing and presenting technical material before chemical audiences, to foster a professional spirit among its members, to instill a professional pride in the chemical sciences, and to foster an awareness of the responsibilities and challenges of the modern chemist.

Members of the American Chemical Society

The Southwestern Science Society is interested in the promotion of interest and high scholarship in all branches of pure and applied science.

Members of the Southwestern Science Society

MATHEMATICAL ASSOCIATION & PSI CHI

Members of the Mathematical Association of America

The purpose of the chapter is to foster interest and scholarship in mathematics, to become better acquainted with other colleagues in this science, to obtain experience in preparation and presentation of mathematical material, and to develop an awareness of the responsibilities and challenges facing mathematicians.

SU Students for Life meet with others.

SSforL protest Choice.

The Southwestern Students for Life holds that all life is sacred, and have come together to uphold it worth in the eyes of the university community. They believe that there is no such thing as a human life not worth living, and in a society where human life is rapidly becoming less valuable than material goods they shall defend the most defenseless of human lives, primarily the unborn.

SIERRA CLUB & EQUAL VOICE

The Sierra Club is a non-profit, member supported public interest organization that promotes conservation of the natural environment by influencing public policy decisions. It was founded this year at Southwestern and has discovered great success.

Members of the Sierra Club (Satellite of the Austin Regional Club)

The purpose of this organization is to provide a non-heirarchical, noncompetitive space for interested members of the Southwestern community to gather to foster awareness of gender issues from a woman's perspective by providing an educational forum for fostering gender awareness. It is a clearhouse of information on issues of relative interest and concern to the focus of the organization.

Members of Equal Voice

REPRODUCTIVE FREEDOM NOW! & GAC

Members of RFN!

RFN! promotes the education about and the awareness and protection of issues relating to reproductive freedom. In addition to working to keep abortion safe, legal and accessible, RFN! shall oppose all restrictive abortion legislation and will support free access to contraception and family planning. RFN! provides the campus community with information on these issues by sponsoring speakers, films, discussion, and the opportunity for action in support of reproductive freedom.

Members of the Gender Awareness Center

The Gender Awareness Center was created to foster a easier transition from the traditional values to a more equal socialization of processes. It facilitates a better understanding between genders while focusing on issues such as the changing dynamics of society. It does not focus solely on women or men it focuses on the **equality** of women and men.

EBONY

This organization exists primarily for those students interested in promoting greater unity among Blacks and the Southwestern University community. It was organized in the hopes of heightening a sense of identity, a greater awareness, and an appreciation of Black culture. It seeks to foster cooperation and communication with administrators and fellow students.

Members of EBONY

Making this yearbook was not the easiest project I have undertaken this year. In fact it was the thorn in my side the entire year. But I still enjoyed it if you can believe that. I hope that you enjoy this year's Sou'wester. A great deal of time, tears, and laughter went into it. Although it is not perfect, I feel I did the best job I could with what I was given and the amount of cooperation given to me. I would like to thank a number of people who helped in big and little ways they may not even be aware of...

First of all, to three of the best friends I could have found this year, Angie Castro, Perla Bermudez, and Jaime Woody. We have had a wonderful time, laughed a lot, been so loud we've annoyed people, and accepted who we each are and our little imperfections. Jaime, not only have you been a wonderful friend - you have been a tremendous yearbook advisor. You kept me working when I was ready to give up. Thanks. I love you all mucho!

Special thanks to the family - they had to listen to me complain and cry over this book. I wish you could have seen the fun it was at the same time. Thank you all for being there for me.

I'd also like to thank Mr. Gordon McCullough (Herff-Jones rep.), Dan Yoxall (he kept me sane during the layouts of the senior section and kept me smiling about pictures), Nancy Paglarini (for those great golf and cross country shots), Sherri Babcock (for working on the money problem that never went away), the Business Office (for putting up with all my frantic phone calls about the accounts), Student Activities workstudies: Helen Sharkey, Lily Diaz, Ed Stahr, Thien Tran, and everyone else who helped with photocopying, filing, indexing, identifying, and anything else you all did. DeeDee Thomas - you were really there for me in the end. You kept me from falling asleep by just being there in the same room with me. Thanks! Marisa Zapata - thanks for spending so much time talking to me about problems indirectly involved with yearbook. You were a huge help. I won't forget that. Melissa Cathcart - I have found a new friend in you and that has made me so happy! Thanks for allowing me to vent about certain things when I needed to.

Thanks to all those students who sent in pictures. I wish I could have used all of them.

Thanks to everyone who helped ID the people "I had never seen in my entire college career!"

Thanks to anyone I might have missed. Once again I hope you might overlook any mistakes and just enjoy and appreciate the cooperative effort put into this Sou'wester.
